

ASSEMBLY INSTRUCTION

SKU# 509-218

NOTE : Please consult a qualified electrician if you are not certain of the installation.

CAUTION : Before starting the installation, disconnect the power by turning off the circuit breaker or by removing the fuse at the fuse box.

1. Fasten the provided 2 mounting screws to the cross bar . Make sure the thread of the screw is facing outside when the cross bar is attached to the outlet box. Fasten the cross bar using 2 outlet box screws provided.
2. Tie the ground wire from the outlet box and from the fixture to the ground screw on the cross bar. Connect the wire white to white and black to black , cover the connections using wire connectors provided
3. Place the fixture body to the wall by aligning the protruding mounting screw all the way through the wall plate and tighten the fixture using lock nuts provided. Fasten the fixture until it hold firmly to the wall.
4. Install bulb(bulb included)
5. Attach the glass shade to the decorative part, and place the rubber washer, lock washer , glass shade ,wall plate over the thumb screw and fasten them using nut until the glass hold firmly to the wall plate.
